# SPEED CHAMPIONS BMW M MOTORSPORT.

PRODUCT INFORMATION, MARCH 2024.

# SPEED CHAMPIONS BMW M MOTORSPORT. PRODUCT INTRODUCTION.

This LEGO® Speed Champions BMW twin pack consists of an M4 GT3 and an M Hybrid V8. Kids and car fans can collect, build and display the two toy cars or race them against each other. Boys and girls aged 9 and over would be enthusiastic owners of this twin pack.

LEGO® Speed Champions BMW M4 GT3 & BMW M Hybrid V8 Race Cars includes 2 faithfully reproduced models.

Speed Champions sets let children and enthusiastic car fans build replicas of some of the world's most legendary speedsters. Your child will love recreating the high-quality models with their numerous striking details using LEGO bricks.

# SPEED CHAMPIONS BMW M MOTORSPORT. PRODUCT DETAILS.

## SPEED CHAMPIONS BMW M MOTORSPORT

- Lego Set Speed Champions
- Scale 1:24
- 2 models per set (LMDH / M4 GT3)
- Rubber tyres

The BMW M4 GT3 and the BMW M Hybrid V8 are faithfully reproduced toy cars with authentic design details of the real racing cars.

They feature tailpipes, diffusers, rear wings, the typical BMW M Motorsport paintwork and a detailed interior. Both toy cars have a removable roof so that children can place the enclosed racing driver minifigures inside and drive them in exciting races.
